Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner phoned Applicant's representative, Cameron Kerrigan, to indicate that the IDS filed 9/26/2005 will not be considered due to the lack of the required statement under 1.97 (e). Examiner indicated that in order to consider the IDS, such a statement must be supplied or an RCE must be filed. A voicemail was left by Examiner to that effect. Mr. Kerrigan returned Examiner's call and left a voicemail indicating that an RCE should be filed to get the references considered and indicated that another attorney from his firm would be contacting the Examiner. Mr. Lupkowsky called Examiner for clarification of the 1.97(e) statement and indicated that upon further consultation with Mr. Kerrigan, an RCE would likely be filed within the next week to allow consideration of the supplied references and IDS. .
